### Kindergarten

## 1st Grade

Ava and Danya remotely 'turning and talking' in math class.

# Science Friday in FIRST Building Bugs

A few first grade friends came to the office to show Mrs. K their creations! Ava came virtually!

## Kita Alef

Lielle worked on decorating her goblet for our Kita Alef Kabalat Shabbat!

Danya was working on iTaAm, and she looked up and said, "I didn't get all three stars on this activity, so I'm going to try again!" I am so proud of the pursuit of excellence in Kita Alef!

Kita Alef learned what the "mystery noodles" in Mrs. Zames's classroom were for: DISTANCING and DANCING!  
*Shalom, Shalom, Kita Alef*

Today Kita Alef practiced writing blessings by creating one for Ms. Fix! She loved it!

## 2nd & 3rd Grade

Successful interactive online learning... Takeshi builds his own sukkah at home.

## 2nd - 5th Grade Hebrew

We had an awesome week in Hebrew class. All the students are so incredibly happy to learn a new language. We even got to have a whole lesson outside on Thursday. We learned family related vocab words, practiced reading and writing, and learned colors. Thank you to Jasmine, Gemma and Eliana for helping me create such a beautiful Hebrew board outside our classroom. Fifth grade reviewed Hebrew verbs and started to work on short essays this week.

After reading the novel for almost an hour, we had a little fun together running up and down the hill.  
We have a great time reading and running together!

Here is a picture of us reading our Time For Kids magazine with our online classmates. The Owl Pro camera, speaker and microphone that we named Olivia makes it a lot easier for us to hear each other when we are reading aloud.

Also, we helped make a list of the top 10 things we wanted our parents to learn at curriculum night and wanted to share them in the newsletter.

# *TOP 10 THINGS TO LEARN AT CURRICULUM NIGHT!*

- |   |
|---|
| <b>1</b> We have started learning about the Ice Age in Social Studies.  |
| <b>2</b> We get to learn Hebrew!  |
| <b>3</b> The year is starting out easy and I hope it will get harder.   |
| <b>4</b> We love the Star Wars theme and that we have a class pet, Porgie.  |
| <b>5</b> Special classes are so much fun and we love the new librarian, Mrs. House.   |
| <b>6</b> We have some of the best teachers in the world.  |
| <b>7</b> Thank you for sending us back to SHDS!   |
| <b>8</b> It's cool to have our own offices!   |
| <b>9</b> We need to social distance but we get to learn and work together in different ways.                                    |
| <b>10</b> We all hope that the plexi-glass will come down someday soon, but until then we are feeling safe and enjoying school. |

From the 4th, 5th & 6th graders...

**CHAG SAMEACH!**

## Sukkot

4-6th graders zoomed with Rabbi Rapoport to learn about the lulav and etrog!  
Thank you, Rabbi.

## 6th Grade

**SHDS sixth graders started our very zoom own morning news program.**

The first episode of "Wake up SHDS" was hosted by Rose and Issy.

Every classroom logs into the program and joins in *Hatikvah* and The Pledge of Allegiance. Birthdays and daily updates are also broadcast during the 8am show!

## Library

Hello From the SHDS Library!

I would like to take this opportunity to introduce myself - Glenda House. I am delighted to join the Syracuse Hebrew Day School as the school librarian. I will be meeting with your children on Tuesday mornings with

library lessons throughout the school year that will promote information literacy skills infused with collaboration, creating and of course encouraging enthusiastic learners with the joys of reading. Naturally with the constraints of COVID-19, we will have to be creative with our use of the library and being safe. At the moment, students will not be browsing the library collection; however using the Online Catalog (and with the help of the amazing volunteer Mrs. Eisenberg), we will be guiding students as to how they can request a library book online and it will be delivered to them. I am currently learning the process myself and will be sharing what I learn as well with the students. I did have the opportunity to meet all the students with an introductory lesson this past Tuesday (September 29<sup>th</sup>) and even with all the masks on, I could tell the students were happy to be a part of the library and they all made me feel so welcome!

I am a retired school librarian having started my school library career with the Chittenango Central School District at Lake St School that housed grades K-2. After 7 years there, I accepted a position at Roxboro Rd. Middle School with the North Syracuse School District which is where I worked until my retirement. Currently I am also a student teaching supervisor with SUNY at Oswego. I have three grown children -who live out of state - and two grandchildren so retirement has afforded me the opportunity to visit them more (especially the grandchildren!!!) but working with SUNY at Oswego and the Syracuse Hebrew Day School affords me the opportunity to stay connected with education and libraries.

I am thankful to be working and learning with your child(ren) this school year!!

Glenda House

## Just Because

Recess Fun!

**amazon**smile  
You shop. Amazon gives.

**SchoolStore**

### What is AmazonSmile?

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers.
